St. Louis de Montfort Mission Statement

We are called to be and to become a loving family centered in Jesus.

We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit.

We wish to nurture, develop and share these gifts within and for the Body of Christ.

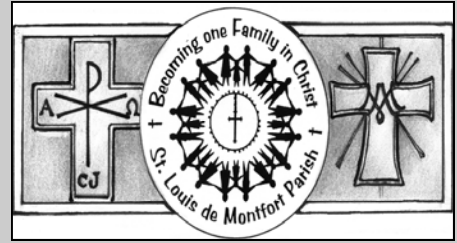

Having been called by Baptism into that Body,

We celebrate our relationship in Word, Sacrament and Family Celebration.

We are then sent to call others to Christ

through who we are and what we do.

We recognize Christ's call to be one in Him and commit ourselves to his way of life.

Participants will learn to:

- Understand the functions of behavior
- Interpret behavior as communication
- Defuse power struggles
- Avoid the dangers of bribery
- Understand the benefits of positive reinforcement
- Hold children accountable with their self-respect intact

DID YOU KNOW?**Daycare centers, nurseries, schools should have open door policies**

Parents and guardians have the primary responsibility for protecting their children from all potential harm. When choosing a nursery, daycare center or school, parents should inspect the building and grounds to make sure there are no areas where children play or work that are "off limits" to parents. Such facilities should have a policy that welcomes parents to visit the center or school without prior appointment.

¿SABIA USTED?**Guarderías y escuelas deben tener política de puertas abiertas**

Los padres y los guardianes tienen la responsabilidad primordial de proteger a sus niños contra todo daño potencial. Al elegir una guardería infantil, centro de guardería o escuela, los padres deben examinar el edificio y la propiedad para cerciorarse de que no haya ningún área donde los niños jueguen o trabajen que esté "fuera de los límites" de los padres. Tales instituciones deben tener una política que dé la bienvenida a los padres para visitar el centro o la escuela sin cita previa.
