St. Louis de Montfort Mission Statement

We are called to be and to become a loving family centered in Jesus.

We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit.

We wish to nurture, develop and share these gifts within and for the Body of Christ.

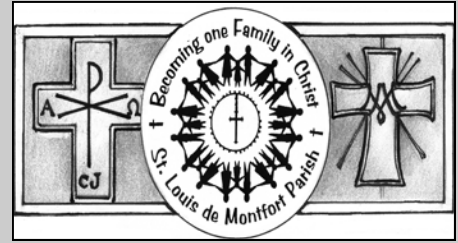

Having been called by Baptism into that Body,

We celebrate our relationship in Word, Sacrament and Family Celebration.

We are then sent to call others to Christ

through who we are and what we do.

We recognize Christ's call to be one in Him and commit ourselves to his way of life.

SAVE THE DATE: MONDAY, NOVEMBER 18, 2013
7:00PM WORKSHOP FOR PARENTS.

IF YOU BELONG TO A FAMILY... THIS WORKSHOP IS FOR YOU!! A DISCUSSION OF THE LESSONS TAUGHT BY MATTHEW KELLY! OUR GUEST SPEAKER IS EDUCATOR & AUTHOR SUSAN NICASTRO.

“A family is not what we think a family should be, or what we hope to have, or should have, or what would be ideal—a family is what we actually have. A family is the one we’ve got.” Nor can a family ever be perfect, he goes on to explain. “Perfect families exist only in our minds, and it is these imaginings that are very often the enemy of our ability to enjoy the wonderful family we already have, or might have if we made it just that little bit more of a priority.” *Building Better Families*. contact: an-nab@sldm.org

DID YOU KNOW**Winter months are the peak time for sudden infant death**

The number of infants who die from Sudden Infant Death Syndrome (SIDS) increases in the cold winter months, according to the National Institute of Child Health and Human Development (NICHD). During these colder months parents often place extra blankets or clothes on infants, hoping to provide them with more warmth. The extra materials may actually increase infants' risk for SIDS or other unsafe sleep practices. Never let your baby get overheated. Dress your baby in light sleep clothing and keep the room at a temperature that is comfortable for you. Do not bed-share. Place babies on their backs to sleep safely. To learn more about SIDS/Safe Infant Sleep Practices, please visit: <http://publichealth.lacounty.gov/mch/sids.htm>.

¿SABIA USTED?**Los meses de invierno es la temporada más alta de muerte súbita**

La cantidad de infantes que mueren por el Síndrome de Muerte Súbita Infantil (SIDS, en inglés) aumenta en los meses de invierno, según el Instituto Nacional de la Salud de la Niñez y Desarrollo Humano (NICHD, por sus siglas en inglés). Durante estos meses de frío los padres acostumbra usar más cobijas o ropa para cubrir al/la bebé, esperando que éste/a esté cómodo/a y calentito/a. Esos artículos extra podrían aumentar el riesgo de muerte súbita infantil u otras prácticas no muy seguras para el bebé. Nunca deje que su bebé esté muy caliente. Vista a su bebé con ropa ligera y mantenga el cuarto a una temperatura que sea cómoda para usted. No comparta la cama con su bebé. Póngalo en su cuna a dormir solo y boca arriba. Para más información, por favor visite <http://publichealth.lacounty.gov/mch/sids/sids.ht>.
