St. Louis de Montfort Mission Statement

We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ's call to be one in Him and commit ourselves to his way of life.

Fr. Aidan Writes:

What a wonderful week of music we have just had. The two visiting Choirs from England and France fed our souls with the delight of wonderful song.

The Peterborough Cathedral Choir also sang at a Mass at St Joseph High School with Bishop Robert Barron. In the Mass, the bishop spoke of two things. Firstly, that the harmonies that we hear in such wonderful music are a very real reflection of the harmony of God the Father, Son and Spirit and the harmony of body and soul. Whichever way you listen to the music, it is greater than the sum of its notes.

Bishop Robert also spoke about St John Paul's "Law of the gift", which essentially reminds us of God's superabundant providence. From the little we have, if we give it to Christ we will be enriched beyond measure and in doing so effect positive change. "The great spiritual law is the law of the gift. Although counter-intuitive, it is the way of the Spirit. Giving your life away for love increases life within you. You partake in the flow of the divine life. Hence, happiness is found in loving acts." He gave as examples: Blessed Rose Hawthorne, who started with nothing, cared for Cancer sufferers in the 19th century and founded the Hawthorne Dominican Sisters who continue this great work in homes throughout the USA. Also, St Francis who, giving up everything, is one of the most influential Saints of the Church and we have thousands of Franciscans today. A third example nearer our own times is Mother St Teresa of Kolcata; today there are thousands of the community she set up, the missionaries of charity, helping the poor and destitute.

So think about it, "from the little we have, if we offer it to Christ we will be repaid abundantly to the ends of the earth". It is another facet of the old adage that God blesses a generous giver. Again, I wish to thank you all for the generosity you have shown in the Together in Mission Campaign. This Wednesday is Ash Wednesday and the start of Lent. Whilst acts of self-discipline and denial are part of our traditional observance, let's also look at ways we can give and thus effect positive change too.

God bless you and your families, Fr Aidan-Peter CJ

KEEP 'EM SAFE

Personalize your fire safety plan

Research shows that having a fire escape plan, and executing it quickly, greatly increases the chances of a successful escape from a house fire. In studies, researchers tested standard high-decibel smoke alarms on sleeping children, and found that just over half the children woke up to the noise. However, when researches used personalized messages recorded by the children's parents in conjunction with the beeping smoke alarms, almost 100 percent of the children woke up and successfully followed their escape plan. MANTENLOS A SALVO

Personalice su plan de seguridad contra incendios

Estudios demuestran que contar con un plan de escape en caso de incendios, y ejecutarlo rápidamente, aumenta en gran medida las posibilidades de un escape exitoso de una casa incendiada. En los estudios, los investigadores probaron las alarmas de humo estándares de altos decibeles con niños dormidos, y encontraron que solo la mitad de los niños se despertaron con el ruido. Sin embargo, cuando los investigadores usaron mensajes personalizados grabados por los padres de los niños junto con el sonido de las alarmas, casi el 100 por ciento de los niños se levantaron y siguieron con éxito el plan de escape. Para más información sobre la seguridad en caso de incendios, obtenga una copia del artículo de VIRTUS® "A New Study Sounds the Alarm on Children and Fire Safety - What Can You Do?"
