Latest update about Church closure

Archbishop José announced yesterday that all

Catholic churches are to remain closed until at least 15th May

[this date also may be extended]

We know this is again sad news.
The Archdiocese quite rightly is working alongside all other institutions and the State recommendations concerning gathering and social distancing in order to lower the curve of infection by the coronavirus.

Please keep in touch and avail yourself of all the livestreaming on our website and the prayer helps and other things that will be put up on the website over the coming weeks.

Remember He is risen, Alleluia, and so will we!
God bless us all.

Keep Safe, Keep Sane and Keep the Faith !
