St. Louis de Montfort Mission Statement

We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ through who we are and what we do.
We recognize Christ's call to be one in Him and commit ourselves to his way of life.

DID YOU KNOW? Cell Phones: A mixed blessing

Cell phones with photographic capability are a great blessing but they can certainly be misused as well. Have a healthy suspicion of anyone using a cell phone in an awkward or unusual way. Be especially cognizant of any suspicious cell phone use in areas where people could be in various states of undress or where children are gathered. If you see someone using a cell phone in a way that appears suspicious, don't be afraid to ask what he or she is doing or to alert someone in a position of authority about your concerns. For a copy of the complete VIRTUS® article above "Taking A Closer Look at Cell Phone Video Voyeurism" email: jvienna@la-archdiocese.org.

SABÍA USTED? Teléfonos Celulares: Una Bendición Mezclada

Los teléfonos móviles con posibilidad de enviar imágenes son una bendición a medias, también se usan de un modo malintencionado. Hay que tener una sospecha sana si se ve a alguien usando un móvil de un modo torpe o de una manera fuera de lo común. Hay que ser consciente de un uso sospechoso de los móviles en áreas donde las personas pueden estar en distintas fases de desnudez o donde hay niños reunidos. Si usted ve a alguien usando un teléfono de un modo sospechoso, no tenga miedo de confrontar a esa persona, o alerte a alguien con autoridad sobre sus sospechas.
