St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ through who we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Summer brings a whole range of issues that affect your ability to protect your children from sexual abuse. The core best practice rule for child safety is to have as much information as possible and replace blind trust with knowledge and healthy suspicion. That means asking questions: Where are you going? What will you do while you are there? Who will be with you? When will you return? Which adults will be present? Then evaluate the situation and determine if it is safe for your child to participate. And, don’t be afraid to say “No” when it is not!

SABÍA USTED? - Seguridad para el Verano: Preguntas que Necesita Hacerle a su Hijo
El verano trae varias cosas que afectan su habilidad de proteger a sus hijos del abuso sexual. La mejor esencia práctica para la seguridad de sus hijos es de tener la información más posible y reemplazar la confianza ciega con un conocimiento y sospecha saludable y. Esto quiero decir hacer preguntas: ¿A dónde vas? Mientras estés allí, ¿Que es lo que vas a hacer? ¿Quien va a estar contigo? ¿A que horas vas a regresar? ¿Cuales adultos van a estar presentes? Entonces evalúe la situación y determine si su hijo está seguro al participar. Y, ¡no tenga miedo decir “No” cuando no lo es!
