St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through who we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

**DID YOU KNOW?**
Internet filter software is no substitute for parental monitoring
There is a lot of material on the Internet that is inappropriate for children. Parents can use filtering software to protect children from that material, but filters do not guarantee that children will not be exposed; a filter will never be a substitute for parents’ presence. Monitor your child’s online behavior. Keep your family computer in a highly visible, common area, like the family room or the kitchen. Ask your children to show you what sites they go to, and be open and willing to discuss the inappropriate material they might come across.

For particular help, you may call Assistance Ministry at 211.

**¿SABIA USTED?**
El filtro de Internet no es sustituto de la supervisión de los padres
Hay mucho material en el Internet que es inadecuado para los niños. Los padres pueden usar los filtros de Internet para proteger a sus hijos de material inadecuado, pero los filtros no garantizan que sus hijos sean expuestos; un filtro nunca podrá sustituir la presencia de un padre. Siempre observe el comportamiento de sus hijos cuando están en línea. Mantenga su computadora familiar visible en un área común como el cuarto de familia o cocina. Pidale a sus hijos que le demuestren a que sitios van, y este dispuesto a dialogar con ellos sobre el material inadecuado que ellos puedan encontrar.

Para obtener ayuda, llame a la Oficina del Ministerio de Ayuda al 211.
