St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through who we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

DID YOU KNOW? It is recommended to make sure your children’s school is a safe place

Every teacher, coach, and volunteer who works with children in the Archdiocese’s parishes and schools must have a background check before he or she is permitted to work in any school or parish related job or activity that involves contact with children. But what about the children who attend non-Catholic private or public schools? Talk with school administrators and find out what steps they take to protect children from harm. Suggest that they re-view other abuse prevention programs to ensure that their policies and practices are up to date. And demand that all employees and volunteers who work in the school be properly screened, including background checks, before they are allowed to be near your children.

¿SABÍA USTED? Se recomienda asegurar que la escuela de sus hijos es un lugar seguro

Todo maestro, entrenador, y voluntario que trabaje con niños en parroquias y escuelas de la Arquidiócesis de Los Ángeles tendrá que pasar por una investigación de huellas digitales antes de que se les permita trabajar en cualquier trabajo que involucre contacto con niños. Pero muchos de nuestros niños asisten escuelas públicas. ¿Qué pasos toman estas escuelas? Hable con los administradores de la escuela y averigüe que medidas toman para proteger a los niños contra cualquier peligro. Sugiérale que se informen sobre otros programas de prevención para garantizar que sus propias pólizas y prácticas estén actualizadas. Y ejíxe que todos los empleados y voluntarios que trabajen en la escuela hayan pasado por una investigación de huellas digitales antes de que se les permita estar cerca de sus hijos.
