St. Louis de Montfort Mission Statement

We are called to be and to become a loving family centered in Jesus. We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit. We wish to nurture, develop and share these gifts within and for the Body of Christ. Having been called by Baptism into that Body, we celebrate our relationship in Word, Sacrament and Family Celebration. We are then sent to call others to Christ through who we are and what we do. We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

DID YOU KNOW?  
Knowing Internet lingo can help parents safeguard children. Online chat rooms, instant messaging systems, and even cell phones equipped to send text messages are environments rich in abbreviations, acronyms, and other shorthand that help increase the speed of communication. Parents need to become aware of some of the common lingo that is used in these environments. Some of these terms may be found to be vulgar, degrading, or otherwise offensive. However, parents and educators need to have a level of understanding of the dangers that face our children.
