St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

HELP IS NEEDED
Frequently we have weekday funerals and the families
would like some music; our choir directors also have full-time jobs and can’t get away that easily. If you are capable of singing (while playing a guitar or piano), or if you have an accompanist friend who could play the piano or guitar, we could really use some help. The family usually pays a stipend which is negotiated by the musician with the family. It doesn’t happen all the time so you would be on call. Hopefully you are free in the mornings. If so, please contact Kiki at the rectory.

NATIONAL VOCATIONS AWARENESS WEEK
Did you know that in our country, compared to 50 years ago, there are 20,000 fewer priests and 129,000 fewer religious sisters? At the same time, the Catholic population has continued to grow steadily. Many factors have contributed to the decline: growing secularism, a lengthened period of adolescence, attitudes about celibacy, etc. During Vocation Awareness week, please pray that young people in today’s society will hear and respond to God’s call. And do your part to encourage them to consider the priesthood and religious life.
DID YOU KNOW?
Get involved in school activities
“Back-to-school does not have to mean back-to-worrying. Though safety inside school is ultimately the responsibility of the principal and school staff, parents can take a few basic steps to ensure a safe school experience.” Get involved. Talk with the principal about what you can do to increase school safety, such as organizing parents to form a neighborhood watch before and after school. Sometimes parent groups are highly successful in making improvements in traffic safety during drop off and pick up times. ¿SABÍA USTED?
Involúcrese en las actividades escolares
“El regreso a la escuela no tiene que significar regreso a la preocupación. Aunque la seguridad adentro de la escuela es finalmente la responsabilidad del director y del personal de la escuela, los padres de familia pueden tomar unos pocos pasos básicos para asegurar una experiencia escolar segura”.
Involúcrese. Plátique con el/la directora/a sobre lo que puede hacer para ayudar a aumentar la seguridad de la escuela, como organizar a padres de familias para formar un grupo de observancia del vecindario antes y después de horas de escuela. Algunas veces los grupos de padres de familia son altamente exitosos en hacer mejoras para la seguridad del tráfico durante las horas de ir a dejar y recoger a los niños.
