St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

A SPECIAL THANK YOU

Special thanks to Cath, Amanda, Walter, Mary Ann, Gary, Steven and Cee Cee for caroling at the Santa Maria Juvenile Hall. These choir members again gave of their time, talent and spirit to lead the kids in Christmas songs. They harmonized, smiled, strummed and spread good cheer, all giving the kids something to smile and be grateful for.

Thanks again, Juvenile Ministry Team

DID YOU KNOW?
Tips for choosing safe toys for kids

Millions of toys are out there, and hundreds of new ones hit the stores each year. Toys are supposed to be fun and are an important part of any child's development. But each year, scores of kids are treated in hospital emergency departments for toy-related injuries. Here are some general guidelines to keep in mind when toy-shopping: Toys made of fabric should be labeled as flame resistant or flame retardant. Stuffed toys should be washable. Painted toys should be covered with lead-free paint. Art materials should say non-toxic. Crayons and paints should say ASTM D-4236 on the package, which means that they've been evaluated by the American Society for Testing and Materials. ¿SABÍA USTED?
Consejos para elegir juguetes seguros para los niños

Existen millones de juguetes en nuestra sociedad y cientos de juguetes nuevos llegan a las tiendas cada año. Los juguetes son una parte importante del desarrollo de cualquier niño. Pero cada año, decenas de niños son tratados en las salas de emergencia de hospitales por lesiones relacionadas con juguetes. Aquí hay algunos ejemplos generales a tener en cuenta al comprar juguetes: Juguetes de tela deben ser etiquetados como resistentes al fuego. Los juguetes de peluche deben ser lavables. Juguetes que estén pintados deben de ser cubiertos con pintura sin plomo. Materiales de arte no deben ser tóxicos. Los paquetes de lápices de colores y pinturas deben de decir ASTM D-4236, lo que significa que han sido evaluados por la Sociedad Americana para Pruebas y Materiales. PARISH COUNCIL MEMBER NEEDED

One of our Council members has moved to Northern California and her term end goes to 2016. We would like to find a replacement for her to complete that term. If you are interested you can contact Yolanda Charette charette@verizon.net or Fr. Charles: frcharles@sldm.org

In February 2015 we will start announcing that self-nomination forms will be available to parishioners to consider applying for a position of two to three years. We have 4 people whose terms cannot be renewed as there is a maximum of two terms, and we like to rotate so that we do not have a large turnover at any one time.

Once a person finishes one term, he, she can be reappointed. A committee of PPC members serves on an interview committee to screen and meet with candidates and make a recommendation to Fr. Charles.
