St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Junior High group meets each Thursday from 7:15-8:30pm (new time for 2015) in Lou’s Grotto. New members & friends ALWAYS welcome! The group is open to anyone in 7th or 8th grade. For more information contact Kelly via email: kelly@sldm.org
LIVE Catholic: Our next workshop is Monday, February 23rd from 7:00-8:00pm in the upper room. Live Catholic empowers parents to take an active role in growing faith in their children, from toddlers to teens, and raise their kids to be the people God calls them to be. Each date the workshop materials and presentation are different. It is not necessary to attend each workshop to participate; come to one or come to ALL as you will learn something different on the subject at each session. (All parents of year 1 and year 2 Communion RE students need to attend 1 faith growth opportunity each year- AKA CAFÉ and the Family Night fulfills that commitment). If you have any questions, feel free to email: kelly@sldm.org

Helping you build CONFIDENCE in parenting and DISCIPLINE in your family
Prepare the way for Dr. Ray Guerendi!
He is the father of 10, clinical psychologist, author, public speaker and nationally syndicated radio and television host – and this year he is our Lenten Mission speaker. His books, cd’s and DVDs are available right now for purchase in the rectory. Titles include: Discipline that Lasts a Lifetime; Marriage: Small Steps, Big Rewards, and What Catholics Really Believe

We all want direction, peace, and a better relationship with the children in our lives. Dr. Ray helps us love them enough to do what’s best for them, and for us, too. Mark your calendars for Mar 9-11, at 11am and 7pm in the church.

Your book was the most insightful parenting book I have ever read. I am recommending your book to as many people as I can. The humor in your book makes it a unique...as well as your common sense and giving parents credit for swimming against the stream.” -Erika

Catholic Men For Christ, February 18, 2015 Topic
For The Week “Celebration of the Christian Mystery”

Opening Question
How Can we respond to the world with a sacramental imagination?

-Thought for the Week -
“Fish taken out of the sea die; but the Apostles have fished for us and have taken us out of the sea of this world so we could be brought from death to life. As long as we were in the world, our eyes looked down into the abyss and we lived in filth. After we were rescued from the waves, we began to look upon the sun and look up at the true light. Confused in the presence of so much joy, we say; Hope in God, for I shall again praise Him, in the presence of my savior and my God.” (St. Jerome, Sermon on Psalm Forty –one; to the newly baptized)

FUND FOR RETIRED RELIGIOUS (Dec. 2014)
You were again most generous...
$10,076.00 (included checks sent directly to DMJs in Palos Verdes). Our Sisters, and all other Retired Sisters in the United States, will be praying for your intentions.

DID YOU KNOW? Help prevent child victimization

Many assume that children at risk for victimization are neglected or from dysfunctional homes. However, all children, even those from supportive families, may be at risk of victimization. Encourage your child to come to you immediately if anyone makes him or her feel uncomfortable online or makes overtures to meet in person. These are some signs an online predator may be connecting with your child: Your child becomes withdrawn and isolated from family and friends; you find inappropriate material on the computer; your child receives mail, money, or gifts from unknown people; you see unknown phone numbers when reviewing the phone bill. ¿SABÍA USTED? Ayude a prevenir victimización de niños

Muchos asumen que los niños en riesgo de ser víctimas son víctima de negligencia o provienen de hogares disfuncionales. Sin embargo, todos los niños, aun aquellos criados en familias que dan apoyo, podrían estar en riesgo de ser victimizados. Anime a sus hijos a buscarlo a usted inmediatamente cuando alguien lo (la) haga sentir incómodo(a) en Internet o le hace propuestas de encontrarse en persona. Estos son algunas señales de que un predador en línea podría estar contactando a su hijo o hija: su niño se desentiende o aísla de su familia y amigos; usted encuentra material inapropiado en la computadora; su niño recibe correo, dinero o regalos de una persona desconocida; usted encuentra números telefónicos desconocidos cuando revisa la factura de teléfono. Para más información, visite http://www.netsmartz.org/ChildrenAsVictims.
