St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

ARE YOU CALLED TO BE A DEACON?
Each year the Archdiocese provides the opportunity for men to apply to become a Deacon. In our parish we are blessed, but as the process takes a full year of discernment, and then a 5-year program we need to plan for the future. The full requirements of what is involved will be explained in an Orientation session on SUNDAY, MAY 31 from 2-4pm at St. Raphael’s Church in Goleta. Wives must accompany their husbands. The first year will include interviews, testing, and evaluation to help the Archdiocese discern who can enter the 5-year program. It is important, if you are interested, to talk to a priest here in the parish, to talk to one of the deacons, and of course to pray and discuss with your wife. You cannot be over 60 and must be 35 at the time of Ordination. How many men can enter the program and what else is involved will all be explained at the Orientation meeting.

**Catholic Men For Christ**

**April 8, 2015**

**Topic of the Week:** “He is Risen”

**Question:** Is it more important that Jesus has risen in your heart, or that He has risen in provable fact?

**Is it possible to prove the real graces received in any Sacrament?**

-Thought for the Week-

“Christian heroism will one day become the sole solution for life’s problems. Then, as God proportions His graces to human needs and tempts nobody beyond his strength, we shall doubtless see coincident with the worst condition in history a flowering of sanctity.” (Jacques Maritain, Some Reflections on Culture and Liberty; 1933)

**MAGNIFICAT**
