St. Louis de Montfort Mission Statement

We are called to be and to become a loving family centered in Jesus. We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit. We wish to nurture, develop and share these gifts within and for the Body of Christ. Having been called by Baptism into that Body, we celebrate our relationship in Word, Sacrament and Family Celebration. We are then sent to call others to Christ through whom we are and what we do. We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

CARE OF CHURCH...PEWS

Who cares? Who is responsible?

From my point of view, very few care, but everyone is responsible. Many requests have been made, asking that you leave the books in a tidy position, with spines up and the prayer card between the missalette and music book. These requests are being ignored. Very few people care. Yes, there are a few people who take extra time to straighten the books. Thank you!

I put the pews in order at least twice a week and also before the 11:30 Sunday Mass. I am embarrassed and unhappy at the “look” of the pews and I wonder whether all our parishioners fully understand that this is God’s house...He welcomes us, and we owe Him and our neighbors the courtesy of a clean and tidy place to pray. (If you have any thoughts/suggestions on this subject, please see me.)

Rosemarie Thompson, a long-standing member of St. Mary’s parish, was recently installed as the California State Regent for Catholic Daughters of the Americas. CDA is one of the largest Catholic Women’s organizations in the nation and was instituted in 1903 as an auxiliary organization of the Knights of Columbus. There are 4,000 Catholic Daughters in California. Rosemarie belongs to Ct. Santa Maria #1079 and has served many years as a local court officer and organizer. CONGRATULATIONS to her and to her Catholic faith.

DROUGHT AND RECYCLING AFFECTS US ALL

All of us are aware and have been notified of what is expected of us in these conditions. So, we here are taking the appropriate steps to reduce our water consumption.

VALLEY DOVE (our landscape company that has done an excellent job) has proposed to us removing all of our sprinklers in the shrub areas, and to replace with a water drip system that will water each plant rather than a whole area and significantly reduce the amount of water that we have been using. They are also taking over the rest of the rectory area, and will now also take over the care of the front of the hall, and the other landscape areas around the Parish Community Center. In all of these areas they will remove the sprinklers and install a water drip system.

We will be looking into replacing the tall Palm trees with shorter ones as it is becoming expensive to find someone with a crane that can reach the top to trim. These palms have been here since the church was built.

The lawn areas in front of the rectory, church, school, and the playing fields will be watered on Tue. and Thur., between the hours of 8pm-7am as prescribed (we have always watered in the night-time, it will just be less water). Obviously getting less water will change the appearance but we have to do our part and save the water for more important needs.

The parish rectory does monitor our recycling bin and each week our bin is emptied by the agency that provides the blue container. We need to look into having recycle containers in the hall/UR/and meeting rooms. We cannot recycle our missallettes/hymnals as they will not be accepted at the dump; so we have to discard them.

The school has an extensive recycling program. There are 43 blue bins, and students have contests each week to see who can bring in the most items. Each year during Earth Week the school has art lessons using recycle materials.

DID YOU KNOW?
The important impact of fathers and father figures on children

Whether you’ve seen a child light up when you encourage them, succeed with a little bit of mentoring, or problem solve after lending your listening ear, it is clear that fathers and father figures are a gift in the life of children. While nothing can replace the presence of a father, many of us know from experience the influence that other trusted adults can have on the life of children. Children thrive when they have adults that they can trust and learn from. For complete VIRTUS® Article email: jvienne@la-archdiocese.org.

¿SABÍA USTED
El importante impacto de los padres y las figuras paternas para los niños

Si alguna vez ha visto cómo se ilumina el rostro de un niño cuando se le elogia, cómo le va mejor con un poco de orientación, o cómo son capaces de resolver sus problemas y dudas luego de que los hayamos escuchado con atención, es obvio que los padres u otras figuras paternas son un don en la vida de los niños. A pesar de que nada puede remplazar la presencia de un padre, muchos de nosotros sabemos por experiencia cuánta influencia otros adultos de confianza pueden tener en la vida de un niño. Los niños triunfan cuando en su vida tienen adultos en quienes pueden confiar y de quienes pueden aprender. Para una copia del artículo completo de VIRTUS®, escriba a jvienne@la-archdiocese.org.
