St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus. We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit. We wish to nurture, develop and share these gifts within and for the Body of Christ. Having been called by Baptism into that Body, we celebrate our relationship in Word, Sacrament and Family Celebration. We are then sent to call others to Christ through whom we are and what we do. We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

DROUGHT AND RECYCLING AFFECTS US ALL
All of us are aware and have been notified of what is expected of us in these conditions. So, we here are taking the appropriate steps to reduce our water consumption.

VALLEY DOVE (our landscape company that has done an excellent job) has proposed to us removing all of our sprinklers in the shrub areas, and to replace with a water drip system that will water each plant rather than a whole area and significantly reduce the amount of water that we have been using. They are also taking over the rest of the rectory area, and will now also take over the care of the front of the hall, and the other landscape areas around the Parish Community Center. In all of these areas they will remove the sprinklers and install a water drip system.

We will be looking into replacing the tall Palm trees with shorter ones as it is becoming expensive to find someone with a crane that can reach the top to trim. These palms have been here since the church was built.

The lawn areas in front of the rectory, church, school, and the playing fields will be watered on Tue. and Thur., between the hours of 8pm-7am as prescribed (we have always watered in the night-time, it will just be less water). Obviously getting less water will change the appearance but we have to do our part and save the water for more important needs.

The parish rectory does monitor our recycling bin and each week our bin is emptied by the agency that provides the blue container. We need to look into having recycle containers in the hall/UR/and meeting rooms. We cannot recycle our missallettes/hymnals as they will not be accepted at the dump; so we have to discard them.

The school has an extensive recycling program. There are 43 blue bins, and students have contests each week to see who can bring in the most items. Each year during Earth Week the school has art lessons using recycle materials.

**DID YOU KNOW?** Help children be aware of unhealthy behavior among others

Children have more opportunities to be out of your immediate sight during the summer. It’s important to remind your child that if another child or adult — including people they know and trust — try to touch them inappropriately they should: Say NO and GET AWAY from any person or situation that makes them feel scared, uncomfortable or confused. Tell them to TRUST THEIR FEELINGS and be sure to TELL a trusted adult. And it’s never too late to tell a trusted adult what happened. **¿SABÍA USTED** Ayude a los niños a identificar conductas inapropiadas

Durante el verano hay mayores posibilidades de que los niños no estén directamente bajo su supervisión. Por eso es importante recordarles a sus hijos que si un niño o adulto — aunque sea conocido y de confianza — trata de tocarlos de manera inapropiada, ellos deben decir NO y HUIR de la persona o situación que los hizo sentir asustados, incómodos o confundidos. Diles que CONFIÉN EN SUS INSTINTOS y HABLEN con un adulto de confianza. Nunca es demasiado tarde para decirle a un adulto de confianza lo que pasó. **Catholic Men For Christ**

**July 1, 2015**

**Topic of the Week** “To be or Not to Be”

**Question** “Am I accountable to God for social issues?”

**-Thought for the Week -**

“United as we are to one another in the Mystical Body of Christ, there is reciprocity, mutual sympathy, and a sense of cooperativeness between and among us. We should therefore feel responsible toward one another as the various parts of the human body feel responsible toward one another.”

**A NOTE FROM FR. CHARLES**

I have been thinking of when I should write and as you know I leave on vacation Monday, June 29 and return on July 26th. I will be here for a few weeks; all depending on where my 6-month sabbatical program will take place. At this writing I could leave here Aug. 13, or maybe at the end of August! So when do I say goodbye? I have been your pastor for 14 years, and we have experienced a lot of opportunities for the parishioners to participate in service to the parish and to the broader community through contributions to our African Endowment Appeal and Together in Mission. Our involvement extends to membership in these ministries: Knights of Columbus, Parish Council, Parish Missions, Bible Classes, Shine Retreat programs, Small Faith Communities, and Faith Formation programs. No one person could do this without the support and involvement of our people!

You are very, very generous and I can’t think of any pastor who wouldn’t be happier to have such an active and supportive parish. You are most generous in your appreciation of my time here, as I have had numerous notes, comments, dinner invitations, and I know the Parish council is planning a “farewell party, as well as recognition of my 50 years as a Josephite, following the 9:30 Mass on Aug. 2. (As I said above I don’t know when I will go!!!)

But I do pray and hope you will give Fr. Aidan the same support you have given me. May God bless you all, and may you continue to work at “becoming one Family in Christ.”

With deep gratitude and appreciation,

Fr. Charles, CJ
