St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

**THANK YOU**

Words can’t convey the sentiments and appreciation
I felt on Sunday. The committee that organized this event was able to accomplish so much (because I
wasn’t here to interfere!), and indeed everyone who
came will be in my prayers. To you who wrote cards
and sent gifts, I wish I had the time to thank you all
personally (but I simply have been thrust into finding
something here in So.Cal so that I can return once a
month. It is all up in the air as I type this!!!
Please know my words of appreciation at the end of
Mass, and in the hall ,were from the heart, and I am
truly indebted to you and all of our parishioners. You
are so generous, you are what makes this parish the
best!!
God bless you, Fr. Charles, CJ

DID YOU KNOW?
Pool safety is about more than swimming
Swimming is a fun way to have some fun and beat the heat during the summer. Parents should teach their children about swimming safety, including how to identify and handle uncomfortable situations. Although you may be watching closely to make sure your kids are safe in the water, don’t forget about when they’re walking around, sitting out by the pool, using the restrooms or out of sight. Teach your children what to do when they feel uncomfortable at the pool, and let them know it is okay to walk away and find a parent or trusted adult at any time. For more information and a copy of the article called “Know the Rules…Summer Safety Tips to Teach Children” from the National Center for Missing and Exploited, email: jvienna@la-archdiocese.org

*SABÍA USTED?
La seguridad en la piscina implica más que saber nadar
La natación es una manera divertida de combatir el calor durante el verano. Los padres deben enseñar a sus hijos sobre la seguridad acuática, incluso cómo identificar situaciones incómodas y cómo reaccionar en estos casos. Aunque usted los está vigilando atentamente para asegurar que los niños están a salvo en el agua, no se olvide de poner atención cuando los niños caminan o se sientan alrededor de la piscina, usan el baño o cuando están fuera de la vista. Enseñe a sus hijos qué hacer si se sienten incómodos en la piscina y que al cualquier momento está bien huir y buscar un adulto de confianza. Para más información y para obtener una copia del artículo completo del National Center for Missing and Exploited Children, escriba a: jvienna@la-archdiocese.org
