St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Fr Aidan Peter writes,
As we approach the end of the Church’s liturgical year the readings take on an “end of times” hue. So we perhaps should spend a few moments reflecting on a simple question. “If the world came to an end tomorrow and Christ was to come…would we be ready to meet him?” Hmmm quite a question when you think about it. The apocalyptic tone of the readings refers to a time of distress before the last times. This is what all the doom sayers latch onto and say that today is the time of distress. I don’t think so even with the drought we should not read the apocalypse quite yet! What the scripture is calling us to is vigilance against complacency. The readings are a reminder to keep all actions God centered and focused on the betterment of our neighbor. As Bp Robert reminded us last week the whole point of the gifts we receive is to give them away for the benefit of others.

Archdiocese offers program to empower children
Abuse prevention includes empowering children by teaching them body safety rules and steps they can take to ensure their own safety. The Archdiocese of Los Angeles currently offers age-appropriate prevention programs for children by VIRTUS®. All of the programs encourage parent involvement in reinforcing what their children learn by providing parent information and materials so that parents may fulfill their role as the “primary educators” of their children. ¿SABIA USTED?
Monitoree en línea la actividad de todos los aparatos
En el pasado, se ha advertido a los padres de familia que colocuen la computadora de la familia en un área abierta como la cocina o el cuarto de descanso familiar para que ellos puedan monitorear con facilidad toda actividad. En la actualidad, la mayor parte del contacto social, especialmente entre los jóvenes, es conducida casi exclusivamente a través de los teléfonos celulares y las tabletas. La tecnología continúa cambiando rápidamente. Todos debemos continuar nuestros esfuerzos de mantenernos informados sobre las muchas nuevas aplicaciones para aparatos móviles que pueden ser usados por las personas jóvenes para comunicarse con otros, y que potencialmente pueden ser usados para manipular o abusar a jóvenes. Para una copia del artículo en VIRTUS® “Mobile App Danger” (Peligro de las aplicaciones móviles) por favor envíe un email a: jvienna@la-archdiocese.org.
