**St. Louis de Montfort Mission Statement**

We are called to be and to become a loving family centered in Jesus. We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit. We wish to nurture, develop and share these gifts within and for the Body of Christ. Having been called by Baptism into that Body, we celebrate our relationship in Word, Sacrament and Family Celebration. We are then sent to call others to Christ through whom we are and what we do. We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

**Fr Aidan Peter writes:**

We come to the feast of the Ascension, when Christ returns to be seated at the right hand of his heavenly Father. There follows a tense time, the apostles are scared, unsure of themselves in a “What happens now?” state. Sometimes we are like that. After an experience of the love of God, often expressed through the love of others, we can be left wanting more or perhaps the experience has left us with a higher threshold for satisfaction than before. This is a good and bad state to be in. The yearning for the experience of a connection with the source of all love and mercy is wonderful but the desire for more and more of it is about gratification rather than the need to be thankful. The heart of Christian spirituality is Eucharistia, thanksgiving for the graces of God in our lives not a constant desire to consume more and more of this extraordinary gift of love. So the apostles wait as we do too for the gift of the fulfillment of Christ’s promise to send us his Holy Spirit, the same Spirit he received from his Father. It is through this Spirit that we are united with the Holy Trinity and become the Church, the mystical presence of Christ on the earth expressed through our faith in action. Pentecost next week might well in this way of thinking be considered the feast of mercy made manifest in our humanity as God’s Holy People who continue the mission of Christ to reveal the totality of God’s unfathomable mercy.

Please pray especially this week for our First Holy Communion children who received the sacrament this Saturday and for our Confirmation Candidates who will be confirmed by Bishop Tom Curry next Saturday. May they be faithful to their baptismal vocation and be instruments of God’s mercy throughout their lives.

3:00 PM THE HOUR OF GREAT MERCY

“The most solemn moment of my life is the moment when I receive Holy Communion.” (St. Faustina - Diary #1804)

The Divine Mercy Prayer Group meets Fridays at 3:00 pm at the Josephite Seminary Chapel, 180 Patterson Road. Please join us.

A BIG THANK YOU to those younger members of our community who showed us the importance of mercy as a resolution to the world’s ills. A great deal of work and thought went into it. The blessing of our hands with the oil of gladness by our youth will be with me for a long time.

HOWEVER

I was disappointed for our youth team that this event was so poorly attended. I thank the 47 people who came. We must support our youth programs not just with our hearts and good intentions but by our presence too. Too often in society older generations tend to criticize the young. This must not be the case in our community. Please, please, please, we must support and encourage their efforts to grow in the faith in future at any events in which they have a key role.

DID YOU KNOW
Know the signs of human trafficking
Human trafficking claims many young victims every year, and often, we see these victims in our daily lives. It is important to recognize the signs of abuse and to know how to interact with possible victims. The best way to start a tough conversation with teens who may be at risk is simply to talk to them—ask what’s going on in their lives, and if they are okay. Signs of abuse include suspicious or inexplicable injuries, avoidance, or reliance on an older “friend.” For more information please visit http://www.missingkids.org/1in5.

¿SABIA USTED?
Conozca las señales del tráfico humano
El tráfico humano reclama cada año a muchas víctimas jóvenes, y muchas veces vemos a estas víctimas en nuestra vida diaria. Es importante reconocer las señales de abuso y saber cómo interactuar con posibles víctimas. La mejor forma de comenzar una difícil conversación con adolescentes que pueden estar en riesgo es simplemente hablando con ellos, preguntándoles qué está pasando en sus vidas y si ellos están bien. Señales de abuso incluyen heridas sospechosas e inexplicables, evasión, o dependencia en un/a “amigo/a” mayor. Para más información, por favor visitar http://esp.missingkids.org/1in5.
