**St. Louis de Montfort Mission Statement**

We are called to be and to become a loving family centered in Jesus. We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit. We wish to nurture, develop and share these gifts within and for the Body of Christ.

Having been called by Baptism into that Body, We celebrate our relationship in Word, Sacrament and Family Celebration. We are then sent to call others to Christ through whom we are and what we do.

We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Fr Aidan Peter writes:

We now settle down into the season of Ordinary Time. I have always had an ambivalent attitude towards this title, “Ordinary” time? Surely as the People of God enlivened and inspired with the Gifts of the Holy Spirit it should rather be called “Extra-ordinary Time”! But then again perhaps Ordinary is right, for living in the life of the Spirit should be normal for all of us because God has chosen us to be his close friends.

Our readings this week all deal with how the word of God brings healing and life. Elijah calls as a prophet in prayer for God to restore the widow of Zarephath’s child and God does. Jesus raises the widow of Nain’s son by a simple command. St Paul speaks to the Galatians about the Good News not being a human message but a revelation learned from Jesus the Christ. The Word of God is efficacious, but for it to really change things it has to be received with a totally open heart of faith. Like all communication, it takes at least two, the speaker and the listener. One of the bedrocks of Christian Anthropology is that we have Potentia obedientialis, a basic ability/openness to hear/obey the word of God within us and follow it. When we couple this with our desire to look beyond ourselves (a supernatural existential as Karl Rahner calls it) we can see that being open to and searching for the Word is ordinary to our nature, so perhaps Ordinary Time is correct…the theologizing may continue! Whatever it may be, the key is to be open!

God bless

THE FEAST OF SAINT ANTHONY
Saint Anthony’s feast is celebrated on June 13, on which day the Church prays: “Almighty, ever-living God, You gave Your people the extraordinary preacher Saint Anthony and made him an intercessor in difficulties. By his aid grant that we may live a truly Christian life and experience Your help in all adversities.”
DID YOU KNOW
Pool safety is about more than swimming
Swimming is a fun way to have some fun and beat the heat during the summer. Parents should teach their children about swimming safety, including how to identify and handle uncomfortable situations. Although you may be watching closely to make sure your kids are safe in the water, don’t forget about when they’re walking around, sitting out by the pool, using the restrooms or out of sight. Teach your children what to do when they feel uncomfortable at the pool, and let them know it is okay to walk away and find a parent or trusted adult at any time. For more information and a copy of the article called “Know the Rules...Summer Safety Tips to Teach Children” from the National Center for Missing and Exploited Children, email: jvienna@la-archdiocese.org or call (213) 637-7227.

NOTICE
Regarding Assisted Suicide
Archbishop Jose Gomes asks us to join him and people of faith throughout California for 9 days of Prayer and Fasting before the implementation of assisted suicide in our state on June 9. For this novena you can use the prayer below, from June 1 through 9th.

Prayer for The Sick, Elderly & Dying
O God, Source of all life and hope, look kindly on our brothers and sisters facing the end of their lives, fill them with the hope of your mercy and give them peace and comfort. We pray for our citizens to choose life and fight against assisted suicide. Lord, move our hearts to work for life and for the protection of the elderly, the sick, and disabled. Renew our commitment to building a community where every human life is welcomed and wanted, valued and defended, from conception to natural death. We ask this through the intercession of Saint John Paull II. Amen.

Topic of the Week -- ‘Primacy of Conscience’, Is there a catch?
“They take what comes, they form their notions at random, they are molded passively from without, and this is what is commonly meant by ‘private judgment.' ‘Private judgment’ commonly means passive impression.” (J. H. Newman, Sermons Preached on Various Occasions, no.9)
