St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and for the Body of Christ.
Having been called by Baptism into that Body, we celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

14TH SUNDAY IN ORDINARY TIME
JULY 3, 2016

Fr Aidan Peter writes:
The Entry Antiphon for this Sunday has three key words which go together - Mercy, Praise and Justice. In this Year of Mercy we have been reflecting upon it as the being the Way God choses to interact with the world. Jesus our Lord and Savior is the face, the living embodiment of God’s mercy, the only means by which we are saved. For this gift we must give praise, not because God needs our praise, he does not but rather because, “[He] has no need of our praise, yet our desire to thank [Him] is itself [His] gift. Our prayer of thanksgiving adds nothing to [His] greatness but makes us grow in [His] grace - as the old version of preface IV used to say.
The antiphon points out that we receive this mercy “in the midst of the Temple” which is why every time we celebrate Holy Mass and receive Eucharist we are engraced by His mercy in order to go out and be his face of mercy, as Church gospel, in the world [ Note that the gospel has the 72 going out in pairs, being Church is a communal act, we are not called to do God’s work on our own] . In this way we bring His justice into the world. So if you want a good reason to go to Mass then there it is! We are “mercied up” through our encounter with the God of Mercy so that we can go out “mercy-ing” the world!

For your information.
I will be away from the parish from 7th July until 22nd of August.
Frs John, Alfred and Mark and Ludo will be “looking after the shop” as we say in England!
I will be attending the Josephite General Chapter in Belgium from 10th July until 24th along with Frs Ludo and Ed from USA along with another 20 Josephites from Europe and Africa. Please pray for the Josephites at this time that they may deliberate and then choose wisely a new Superior General and General Council to lead the Congregation for the next five years. Also give thanks to God for the 15 years of Fr Robert’s leadership as our Superior General.
After the chapter I will be going on holiday visiting family and friends and from 15-19 August I’ll be in Italy attending the 50th Congress of Universa Laus, an international study group on liturgy and music, of which I was a former Secretary General and Presidium member.I hope to back refreshed, recovered after my radiotherapy and ready to go!

**DID YOU KNOW**

Parents should avoid lecturing and start talking. Lecturing teenagers may feel like the right path to take, especially if they are starting to develop bad habits or make poor choices, but lecturing is usually the least effective way to get your message across. Children tend to see lectures as condescending and abstract, and this detracts from the wisdom and advice you are trying to provide. Instead of lecturing, try to engage your child in calm, open conversation that addresses the issue while allowing you both to talk about what’s going on. For more tips and a copy of the VIRTUS® article “Communication Tip No. 11: Why Lecturing Doesn’t Work,” email jvienna@la-archdiocese.org or call (213) 637-7227
