St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus. We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit. We wish to nurture, develop and share these gifts within and for the Body of Christ. Having been called by Baptism into that Body, we celebrate our relationship in Word, Sacrament and Family Celebration. We are then sent to call others to Christ through whom we are and what we do. We recognize Christ’s call to be one in Him and commit ourselves to His way of life.

Fr Aidan Peter writes:
This week and next, the General Chapter of the Congregation of the Josephites takes place in our French speaking boarding school in the Chateau of La Berliere in Ath in Belgium. A chapter happens once every five years and delegates come from all the regions/countries of the world where we work. Frs Ludo, Ed and Aidan Peter are attending from the USA. We review the last five years’ work in the Lord’s vineyard from many angles such as: apostolate, prayer, community life, vocations, formation, and of course finances! We try to work out a path for the next five years and then we elect a team to lead us. This means we have to elect a new Superior General (currently Fr Robert), a Vicar General (currently Fr Jacob, a Congolese Josephite working in Belgium) and three other counselors. This team then steers the congregation, putting into effect the next five years’ aspirations. It is an important time for the Josephites, so I ask you to fervently pray the prayer (on the next page) each day for the next two weeks as an act of fraternal support for the Josephites.

A word about Fr Robert Hamilton the current Superior General:
Fr Robert has served the Congregation with distinction for fifteen years. He should, by normal canonical procedure, only have served 10 years (two terms of office) but, such was the regard we had for his leadership and Fatherhood last time, we had to ask Rome to allow us to elect him for one extra term. However, this time we have to elect a new General. Robert has brought about a renewed appreciation and application within the community of our charisms, our apostolates and our spirituality and he has helped us grow in our inter-regional connectivity, fraternity and hopes. He will be a very hard act to follow. I, for one, have always considered him since the days of my novitiate in 1984 as my spiritual Father (he was my novice master) and hold him in the highest regard and fondest affection. Give thanks to God in your prayer for his witness to all the Josephites and to those they serve. It was Robert who asked me to come to StLdM. So you have him to thank (blame)!

God bless you and the week ahead Fr AP
A Prayer for the Josephite General Chapter

Adapted for use in the parish of St Louis de Montfort
Please say this prayer daily from 10th July until 23rd July

Come Holy Spirit, breath of Life and strength of God,
Grant your seven fold gifts.
Lead the Josephite Congregation during their chapter
along new paths.
Give life to the seeds that we have already sown,
Nourish them and help them grow.
Give the Josephite Community your light to guide and
protect them.
Give them faith and courage, wisdom and discernment.
Show them each day the direction they should take
And the decisions they should make.
Give them peace and bless them with vocations
So that they may continue to build up your Kingdom.
Saint Joseph, Patron of the Congregation
Protect them we pray
Holy Mary, Mother of God
Watch over them we pray
Venerable Founder, Constant van Crombrugge
Inspire them we pray
We ask this through Christ Our Lord. Amen

The Knights have provided our students with opportunities to participate in academic, art and sports contests. We have had winners go on to regional, state and national competitions. The Knights have also supported the school with monetary donations over the years. This year they sponsored and prepared breakfast for our First Communicants and their parents. They donated $2000 to our scholarship fund. We are blessed to have their support. Thank you, Knights.

DID YOU KNOW

Underage alcohol use could lead to larger problems.
The negative consequences of underage drinking are more widespread and serious than previously known. Research shows that alcohol can change the way the brain works and could lead to long-term consequences. Many more dangers of underage drinking are immediate, including alcohol poisoning, physical assault and poor decision making. You can help protect your children from the risks associated with drinking by maintaining open communication, and by expressing a clear, consistent message that underage drinking is unacceptable. - Thought for the Week -
“If we look into the Christian Scriptures we find that Jesus himself laid down his life not only at the time of death but in his humble birth, years of teaching, healing and preaching. Not only did he personally suffer but he suffered with those burdened with afflictions.” (Mary Margaret Funk, O.S.B., Tools Matter for Practicing the Spiritual Life, pg 123)

¿SABIA USTED?
El consumo de alcohol de menores de edad resulta en peores problemas
Las consecuencias negativas del consumo de alcohol por menores de edad son más extensos y serios de lo que se pueda saber. Estudios muestran que el alcohol puede cambiar la forma en que el cerebro funciona y puede dar lugar a consecuencias de largo plazo. Muchos más daños del consumo de alcohol por menores de edad son inmediatos, incluyendo enfermedad por alcohol, asalto físico y malas decisiones. Usted puede proteger a sus hijos de los riesgos asociados con tomar manteniendo una comunicación abierta, y expresando un mensaje claro y consistente de que el consumo de alcohol en menores de edad es inaceptable.
