St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Fr Aidan Peter writes:
While Fr. Aidan Peter is away, he would like to share this reflection with you:

DISCLOSURE

Prayer is like watching for the Kingfisher. All you can do is be where he is likely to appear, and wait.

Often, nothing much happens: There is space, silence and expectancy.

No visible sign, only the knowledge that he’s been there and may come again.

Seeing or not seeing cease to matter. You have been prepared.

But when you’ve almost stopped expecting it, a flash of brightness gives encouragement.

Ann Lewin

God bless you and the week ahead,
Fr. AP

SLdM School Student Non-discrimination Policy

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color or national and/or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex or national and/or ethnic origin in the administration of educational policies, admission policies, scholarship and loan programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student’s emotional, academic and physical abilities and the resources available to the school in meeting the student’s needs.
