St. Louis de Montfort Mission Statement

We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Fr Aidan Peter writes:

While Fr. Aidan Peter is away, he
would like to share this reflection with you:

**BREAD, WINE AND GENTLENESS**

- Be gentle
  When you
  Touch bread.
  Let it not lie
  Uncared for,
  Unwanted:
  So often bread
  Is taken for granted.
  There is such beauty
  In bread,
  Beauty of sun and soil,
  Beauty of patient toil.
  Wind and rain have caressed it.
- Be loving
  When you
  Drink wine.
  So freely received
  And joyfully shared
  In the spirit of him
  Who cared.
  Warm as a flowing river,
  Shining and clear
  As the sun.
  Deep as the soil
  Of human toil.
  The winds and rain caressed it.
- Be loving
  When you touch bread.

**God bless you and the week ahead, Fr. AP**

Healthy suspicion can protect those who are vulnerable to abuse
When it comes to fighting against abuse, prevention is the first step. For adults who work with kids, it’s important to recognize the signs of those who could be vulnerable to predators or abuse. Using healthy suspicion can help prevent access to these kids as well. For a copy of the VIRTUS® article Awareness and Education Empower Adults to Better Protect Minors, email jvienna@la-archdiocese.org or call 213-637-7227.

La sospecha saludable puede proteger a aquellos que son vulnerables al abuso
Cuando se trata de pelear contra el abuso, la prevención es el primer paso. Para adultos que trabajan con niños, es importante reconocer las señales de aquellos que pueden ser vulnerables a los depredadores o al abuso. Tener sospechas saludables también puede ayudar a prevenir el acceso a estos niños.
