St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Fr Aidan Peter writes:
This week I have just started to feel Christmas in the air! Decorations in
gardens and all over houses have started to twinkle and I have started to yearn for the
English choral tradition, listening to Carols from
Kings College on the internet…and there is a slight
chill in the air, nice and English! This makes me and
hopefully you tool expectant for the Feast and Season
of Christmas. Expectancy is the word of the Advent.
Mary would have been heavy laden by now, expectant
with her child the Word of God soon to be born and
transform the world. Joseph and Mary must have been
sorting things out and planning their journey to Beth-
lehem from Nazareth, not an easy one over rough ter-
rain for a pregnant Mother. We too must make our
preparations for this great event. We can all get ready
by availing ourselves of the opportunities to reflect
and to reconcile ourselves for a worthy receiving of
the gift of Christ at Christmas. We could attend the
Mission this week 12, 13, 14 and / or join in the Parish
Carol Service next Sunday 18th at 3pm and / or come
to the Reconciliation Service for Advent on Wednes-
day 21st December at 7pm (there will be 12 confessors
available).

Also this weekend we rejoice with our Hisp-
amic members on Monday at the great Feast of Our Lady
of Guadalupe the Queen of the Americas. Mañanitas
start at 5am.

I will be away from the parish starting Sunday
evening. I am giving a mission to the parish of Sacred
Heart on Ventura-Saticoy. I’ll be back late evening
Thursday.

God bless you and your families and the week ahead.

AAD SEASON OF HOPE

Today we can bask in the imagery that the Mass readings offer us. In particular, Isaiah’s vision of a parched land that blooms with abundant flowers holds a message for each of us. Too often we are just like that parched land. We can allow ourselves to become absorbed in the waves of consumerism that grip so many. We look for fulfillment in the things that money can buy. Unfortunately, this leaves us like parched land, thirsting for something that money can’t buy. This holy season has much to offer to quench our thirsts. In a word, this season offers hope. We are told that those who are ransomed by God will know joy and gladness. For them, sorrow and mourning will be no more. Let us place our hope in these promises.

**DID YOU KNOW?**

Pokémon Go stops could lead kids to dangerous places
With the popular game Pokémon Go, kids can interact with virtual game components in real-life locations. Some features of the game can present serious dangers for children using the app and interacting with other gamers. “PokéStops” – locations in which players can collect Pokémon – can be anywhere, and recently, one was reported to be at the entrance of a rehabilitation center that housed sex offenders. Parents should be aware of the game’s features and monitor children’s use to ensure that any Pokémon collecting is done safely. Las paradas de Pokémon Go pueden llevar a los niños a lugares peligrosos
Con el juego popular Pokémon Go, los niños pueden interactuar con componentes del juego virtual en lugares reales. Algunas características del juego pueden presentar serios peligros para los niños cuando usan la aplicación e interactúan con otros jugadores. Las paradas o “PokéStops”, o lugares en los que los jugadores recogen los Pokémon, pueden estar en cualquier lugar, y recientemente se reportó que uno estaba a la entrada de un centro de rehabilitación donde habitan ofensores sexuales. Los padres de familia deben estar conscientes de las características del juego y monitorear el uso por parte de sus hijos para asegurar que cualquier colecta de los Pokémon se haga en forma segura.
