St. Louis de Montfort Mission Statement

We are called to be and to become a loving family centered in Jesus. We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit. We wish to nurture, develop and share these gifts within and for the Body of Christ. Having been called by Baptism into that Body, we celebrate our relationship in Word, Sacrament and Family Celebration. We are then sent to call others to Christ through whom we are and what we do. We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Fr Aidan Peter writes:

Fr. Aidan Peter is away on retreat but would like to extend a great BIG………………

Thank You!

to all who helped make his Jubilee celebration so special. Mass in the park was a wonderful orchestration of the combined talents of the various ministries here in our parish. Many hands worked together to provide a delicious meal and the abundance and variety of desserts was overwhelming. It was a perfect opportunity to relax and spend time visiting with our parish family; even the weather cooperated, as the wind stayed at bay for the afternoon!

When Father Aidan returns, he will be saying “Thank You” in his own unique way! Just know that he is holding all of the parish in his heart as he refreshes spiritually and is looking ahead to what the next 25 years may bring!

DID YOU KNOW?
Use creative problem solving to help protect kids
Often, there are many ways to solve a problem, and
many possible solutions. If you teach your children to
problem solve creatively, and think outside the box
when they are faced with a challenge, this can help
them formulate problem-solving skills that will serve
them well throughout their lives. By using creative
problem solving methods, parents and children can
brainstorm new ideas to protect kids from stranger
danger, abuse, violence, and the other risks present in
the world. Discuss possible solutions and highlight
common themes to help your children develop strate-
gies for staying safe. For a copy of the VIRTUS© arti-
cle “Creative Problem Solving--How Can It Help?”

¿SABIA USTED?
Utilice soluciones creativas para ayudar a proteger a los ni-
ños
A menudo, hay muchas maneras de resolver un problema, y
muchas soluciones posibles. Si enseña a sus hijos a resolver
problemas de forma creativa y pensar fuera de la norma
cuando se enfrentan a un desafío, esto puede ayudarles a
desarrollar capacidades para resolver problemas que les ser-
virán para toda la vida. Al usar métodos creativos para la
resolución de problemas, los padres y los niños pueden hacer
una lluvia de ideas sobre nuevas formas para proteger a los
niños contra el peligro ante un extraño, el abuso, la violencia
y los otros riesgos presentes en el mundo. Discuta posibles
soluciones y resalte temas comunes para ayudar a sus hijos a
desarrollar estrategias para mantenerse seguros. Para obtener
una copia del artículo de VIRTUS © “Creative Problem Sol-
ving--How Can It Help?” (Solución creativa de problemas,
¿cómo puede ayudar?), envíe un correo electrónico a bme-

SLDM PILGRIMAGE IS COMING !!!!

THE CALM BEFORE THE STORM
This seventh Sunday of Easter is somewhat like the proverbi-
al “calm before the storm.” The Lord Jesus has ascended into
heaven and Pentecost has not yet occurred. Rather than im-
mediately taking up Jesus’ command to go out to all the na-
tions, the disciples gather in the upper room “with some
women, and Mary the mother of Jesus, and his broth-
ers” (Acts 1:14). There they all devote themselves to prayer.
The Gospel recounts the great prayer for the disciples that
Jesus offered to his Father in heaven. If the words of Jesus
while he was on earth finally began to sink in for the disci-
pies, then gathering to pray was certainly the right choice, for
the second reading lets us all know that to follow Christ
means to have a share in his sufferings.
