St. Louis de Monfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Fr Aidan Peter writes:
After Ascension and Pentecost we now have Holy Trinity Sunday. Jesus has gone up, sent down the Holy Spirit and now we rejoice in a connection through that same Holy Spirit with the very life of God. This view of God is quite wonderful. God is essentially relationship; the Father loves the Son, the Son loves the Father so perfectly, eternally and completely that the Holy Spirit of that Love out-pours upon creation, sustaining it especially now since it has been redeemed.

In a way the Feast of the Holy Trinity, a theological feast rather than one that is directly connected to a moment in the life or a teaching of Christ in the Gospels, is a celebration of the God who relates, not just in and of himself but most importantly with us. It is all about relationships. We are all in relationship with each other, admittedly at different levels and to differing degrees, but we are relational beings. “No man is an island entire unto himself” says the great poet and cleric John Donne. Though sometimes we really, “Want to be alone” (Marlene D), we do need each other and the more we need each other the more love we need.

In the Trinity we celebrate the utter fullness of the glorious love of God, or is that rather the lovely glory of God…is it the same thing? …probably. The more we show love to others, in deep and healing and constructive ways, the more we reflect our Creator, Redeemer and Sustainer to the whole world. Yup…it’s a mystery but one to delve into, explore and engage with rather than shrug our shoulders at, scratch our heads and say “I dunno?”!

This mystery of the very nature of God is fascinating, tantalizing, awe-inspiring and everlasting…all the more so because God actually invites us into his very self. Go on I dare you…dive into the Glory of God…you will be inspired and amazed…and loved.

God bless you and your families. Fr AP, CJ
There will be no exposition of the Blessed Sacrament on Monday, June 12th, due to a funeral. Exposition will be moved to Tuesday, June 13th.

CONGRATULATIONS
It was a privilege to honor the coordinators of our bereavement ministry David Dana, Inice Edwards and Kathie Klein, at the Catholic Charities Awards Dinner last Sunday, along with many friends from their support group, the “circle of love”. This team’s dedication to supporting those who are vulnerable with grief is a pure commitment to the beatitude, “Blessed are those who mourn they shall be comforted”. Having gone through the same painful reality of loss themselves, they are people of great empathy. The grief support group meets regularly and has an unofficial motto that sums it up, “laugh, cry and eat pie!”
**DID YOU KNOW?**

Violence within the home affects the entire community. Angelus News recently published an article on how domestic violence affects the entire family and the community members of all ages. In the article Dr. Ana Nogales, said “domestic violence not only leads to an altercation between two partners, but can harm innocent children. We need to be alert, and not tolerate abuse at home or in the community.” To learn more about what you can do read the full article at: http://www.angelusnews.com/articles/violence-within-the-home-affects-the-entire-community

La violencia en el hogar afecta a toda la comunidad. Angelus News publicó recientemente un artículo sobre cómo la violencia doméstica afecta a toda la familia y a los miembros de la comunidad de todas las edades. En el artículo, la Dra. Ana Nogales dijo que “la violencia doméstica no sólo lleva a un altercado entre dos compañeros de vida, sino que puede dañar a niños inocentes. Tenemos que estar alerta y no tolerar el abuso en el hogar o en la comunidad”.
