**St. Louis de Montfort Mission Statement**

We are called to be and to become a loving family centered in Jesus. We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit. We wish to nurture, develop and share these gifts within and for the Body of Christ. Having been called by Baptism into that Body, we celebrate our relationship in Word, Sacrament and Family Celebration. We are then sent to call others to Christ through whom we are and what we do. We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

**Fr Aidan Peter writes:**

Father Aidan has left us with this reflection:

**DREAM CHURCH**

This is the Church of my dreams ——
The Church of the warm heart,
Of the open mind,
Of the adventurous spirit;
The Church that cares,
That heals hurt lives,
That comforts old people,
That challenges youth;
That knows no division of culture or class;
No frontiers, geographical or social,
The Church that enquires as well as affirms,
That looks forward as well as backward;
The Church of the Master,
The Church of the people;
High as the ideals of Jesus,
Low as the humblest human;
A working Church,
A worshipping Church,
A winsome Church;
A Church that interprets truth in terms of truth;
That inspires courage for this life and hope for the life to come;
A Church of courage;
A Church of all good men ———
The Church of the living God.

God bless
Fr Aidan Peter CJ

TREASURES FROM OUR TRADITION
Two centuries ago, Archbishop John Carroll worried that Americans would not appreciate the linguistic veil over our worship, and asked that the liturgy in the new United States be in English, not Latin. How did our liturgy come to be in Latin in the first place? In the first century, the dominant language in the regions where the church first flourished was Greek. Today in much of the world, almost everyone speaks at least a bit of English. Recently, the European Union even considered making English its official language, a curious proposal since only two English-speaking countries are members.

Just as English is a unifying language today, it was hard to function in the ancient world without a smattering of Greek. Even the word “Eucharist” comes from the Greek for “thanksgiving.” For a long time, Greek was the language of worship, even in Rome. Slowly, society in the west shifted to a bias for Latin and against Greek. Latin first appeared in public prayer at the end of the second century, in the colonial outposts of North Africa. Soon, Latin became the language of culture, and so as fixed prayer forms were written, they were transmitted in Latin. From Rome and Africa, over the next four centuries, the new liturgical language of Latin spread north to Gaul and Britain.

Practice home security with your entire family
It is important for parents and children to get into a routine of safety. One of the major components of a good personal safety program is awareness. You can build awareness habits by following these tips: check surroundings when you leave and return home every day, make sure all doors and windows are locked before leaving home, and keep your car locked when you are in or out of it. To request a copy of the VIRTUS article “Make it a Habit to Practice Home Security Without Looking Like it’s a Habit, Part 1,” email jvienna@la-archdiocese.org or call (213) 637-7227.

THREE O’CLOCK -- HOUR OF GREAT MERCY

FRUIT OF THE WORD
The seed is the word of God. The agricultural metaphors in all of today’s readings give richness to the message that the word of God, cultivated in our hearts, bears much fruit in our lives. Creation itself awaits the redemption of all, even as our bodies await the resurrection. Just as we will rejoice in the fulfillment of God’s word, so will all of creation sing for joy in the Reign of God. The word of God is effective and holy; it brings about exactly what it says. It is not futile or empty, but rich in meaning for those who hear and are healed. Those who hear the word of God and keep it will, with all creation, bear much fruit and sing for joy.
