St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Fr Aidan Peter Writes:
Thank you for helping out with the data collection reporting that started last week at the English Masses at SLdM; we’ve had 1000 responses so far! This weekend I will do the exercise at the Los Alamos and Sisquoc English Masses. Fr John will organize with the Consejo the best way to do this exercise at the Spanish Speaking Masses. If you didn’t manage to fill a card in, please do so. You will find the Data Information Cards in the vestibule at the back of SDL and in the side door racks. Please fill it in as fully as possible and hand it into the rectory or the sacristy at the end of Mass. The cards will also be available at the back of St Anthony’s and San Ramon. Again, let me assure you that this information is protected and secure. We have strong firewall protection. We do not give any of the information out to third parties and only the members of the pastoral team are allowed access to the information you have given us. This all will help us serve you better in the months and years ahead to further God’s Kingdom here on earth.

Our year focusing on stewardship depends upon us having the best ways of communicating with each other so that all the opportunities to grow as a parish and further the Kingdom of God in our little patch of it are given the fullest realization. The primary aim therefore of this year is twofold; to grow by reaching out beyond the walls of the church and the car park to the lost and the searching, and also to delve within ourselves, growing stronger about how we are living out our Catholic faith.

There are also some practical stages to this process. We need to analyze where we are (a project by the Pastoral Council is underway); then to work out where we want to go with the life of the parish; find the talents and commit the time to it and then to think about how we can, in practical and financial terms, put our vision into effect. This is a bold project and one that demands of us bold thinking and for all of us to grasp hold of and commit to it. A parish that stays still, treading water facing up current is actually going backwards. We must swim against the secularist tide all around us by putting into practice every means to bring God’s love and mercy to bear on our society though our dynamic witness to it.

God bless us in our endeavors,    Fr Aidan Peter CJ

DID YOU KNOW?
Common tricks strangers use to lure children
Are you familiar with the news show segments testing children’s safety knowledge? They often feature “strangers” trying to lure children with offers of ice cream, modeling contracts, or other goodies. They know that while many children are taught to avoid strangers, they may not be taught to recognize abduction tactics. For more information on common tricks predators may use to lure children from The National Center for Missing & Exploited Children, visit http://www.kidsmartz.org/CommonTricks

¿SABIA USTED?
Trucos comunes que usan los extraños para atraer a niños
¿Está familiarizado con los segmentos de noticieros que hacen pruebas del conocimiento de la seguridad de los niños? A menudo muestra a “extraños” tratando de atraer a los niños con ofertas de helado, contratos de modelaje, u otras atracciones. Ellos saben que mientras a muchos niños se les enseña a evitar a extraños, es posible que no se les enseñe a reconocer las tácticas de secuestro. Para más información sobre tácticas comunes que los depredadores pueden usar para atraer a niños, que aparecen en el sitio web del Centro Nacional de Niños Perdidos y Explotados, puede visitar http://www.kidsmartz.org/CommonTricks.
