St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Fr Aidan Peter Writes:

We hear in today’s Gospel of another
healing miracle; the leper is rid of his dis-
ease and disfigurement by Jesus. Again Je-
sus touches the leper, a real taboo as we hear in the first
reading from Leviticus. It is also the start of the in and out
of Jesus’s life, because the man, even though told not to
tell anything about Jesus, cannot help himself but let the
world know of the wonder that has happened to him.
Because of this Jesus and the leper have swapped positions;
the leper can enter the town but Jesus cannot because he
would be mobbed. An interesting point from the Leviticus
reading is the use of the cry, “unclean, unclean”. This had a
twofold function, firstly to caution the healthy to be aware
of the illness but also because these people were esti-
dited and it was the duty of the people to bring them food etc.

This in and out theme runs through the gospels. Jesus is in
his home town at times and can’t do miracles but outside
he can. Jesus is in and out of Israel and Judea but some-
times is out in apostate Samaria. In the passion narrative
Jesus can be seen in and out of darkness, in the dark night of
the Sanhedrin, in the gloom of Pilate’s palace or in the
glare of the sun at his condemnation by the crowd.
Watch for these things as we go through the scripture this
year.

At Masses this Sunday and also next week, we have the
Together in Mission process where we who are in the com-
fort and joy of our faith community here in Santa Maria
Valley respond to the needs of those who for whatever rea-
son, be it poverty, disability, isolation, health, lack of re-
sources or instruction in the faith etc, need our help to live a
vital life of faith and to be able to be enriched by the out-
reach and the mission of the Church. Please give gener-
ously.

Lent starts this week on Ash Wednesday. Please avail
yourself of the many opportunities to receive Ashes. Re-
member not only to give something up as a sacrifice but
also to do something extra for Christ and the Church. Also,
Ash Wednesday is a day of fasting and abstinence from
meat.

God bless us and the week ahead

Lenten Prayer….Rice Bowl

God of the Journey, whenever we stumble on life’s roads, your love enables us to get up and start again.
May our Lenten prayer, fasting, and almsgiving be an encounter with your mercy.
May our experience of your selfless love inspire us to: “go and do likewise,” becoming companions for our neighbors most in need, and for every member of our human family. Amen.
KEEP THEM SAFE
Cyber bullying prevention
Thousands of children play games online with their friends and other gamers, but these forums are ripe with bullying, which can have serious negative effects on bullying victims. Cyber bullying can often be particularly cruel, since the bully targets victims from behind a keyboard, and his or her identity may remain hidden. Always be aware of what games your children are playing, and whom they are connecting with online. Talk to them about cyber bullying and what to do if someone is targeting them. For a copy of the complete VIRTUS® article “Preventing Cyber Bullying in Online Gaming, Part 2” visit www.archla.org/protecting.

MANTENLOS A SALVO
Prevención del acoso cibernético
Miles de niños juegan en línea con sus amigos y otros jugadores, pero estos foros están llenos de acoso o bullying, lo que puede tener graves efectos negativos en las víctimas de acoso. El acoso cibernético a menudo puede ser particularmente cruel, ya que el acosador se dirige a las víctimas desde detrás de un teclado y su identidad puede permanecer oculta. Siempre tenga en cuenta qué juegos juegan sus hijos y con quién se conectan en línea. Hábleles sobre el acoso cibernético y qué hacer si alguien se dirige a ellos. Para obtener una copia del artículo completo de VIRTUS® “Previniendo el acoso cibernético en juegos en línea, Parte 2”, visite www.archla.org/protecting.
