St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus.
We acknowledge and accept that each of us is unique and
has special gifts from the Holy Spirit.
We wish to nurture, develop and share these gifts within and
for the Body of Christ.
Having been called by Baptism into that Body,
We celebrate our relationship in Word, Sacrament and Family Celebration.
We are then sent to call others to Christ
through whom we are and what we do.
We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Fr Aidan Peter Writes:
Father Aidan Peter has left us with this reflection:

Springtime in the Soul
Lord God, with Lent we approach the springtime of
the year when the face of the earth is renewed and life
emerges out of death.
We pray that this season of Lent may be a veritable
springtime for our souls, so that our lives, quickened
by the breath of the Spirit and warmed by the sunshine
of your love, may bear abundant fruit and be radiant
with the beauty of holiness; through Jesus Christ our Lord.

**KEEP ‘EM SAFE**

Helping children problem solve through communication

Often the easiest response to complicated conversations about sensitive issues is a generic one, but these moments can be opportunities to help children grow. For example, if a child comes to you and tells you that a friend is being left out of social activities, you might respond with a question: “Do you think there is anything you can do help him/her feel more included?” Or if your child comes to you for money for social activities, instead of just giving them the cash or suggesting how they might get the money, you might prompt them to consider ways that they could earn money or raise their own. In this way, you are not only helping a child find a solution to an immediate situation, but also helping them to grow in wisdom and prudence. **MANTENEMOS A SALVO**

Ayudando a los niños a resolver problemas a través de la comunicación

A menudo, la respuesta más fácil a conversaciones complicadas sobre temas delicados es genérica, pero estos momentos pueden ser oportunidades para ayudar a los niños a crecer. Por ejemplo, si un niño acude a usted y le dice que un amigo está siendo excluido de las actividades sociales, puede responder con una pregunta: “¿Crees que hay algo que puedas hacer para ayudarlo a sentirse más incluido?” O si su hijo acude a usted para pedirle dinero para actividades sociales, en lugar de sólo darle el dinero en efectivo o sugerirle cómo puede obtener el dinero, puede animarle a que considere formas en que podría ganar dinero o recaudar fondos por su propia cuenta. De esta manera, no sólo está ayudando a un niño a encontrar una solución a una situación inmediata, sino también está ayudándolo a crecer en sabiduría y prudencia.
