St. Louis de Montfort Mission Statement
We are called to be and to become a loving family centered in Jesus. We acknowledge and accept that each of us is unique and has special gifts from the Holy Spirit. We wish to nurture, develop and share these gifts within and for the Body of Christ. Having been called by Baptism into that Body, we celebrate our relationship in Word, Sacrament and Family Celebration. We are then sent to call others to Christ through whom we are and what we do. We recognize Christ’s call to be one in Him and commit ourselves to his way of life.

Fr. Aidan Writes:

At SLdM the hoardings are up and the vestibule is being refurbished. ONLY THE WORKMEN can have access to that area. The toilets are unavailable for the duration. The Upper Room bathrooms will be available at Mass times. It is my pleasure to welcome to the parish our new Parish Executive Assistant, Finances: Christina Pintor. Christina comes to us well qualified and with good experience, also she is following our RCIA program. May the good Lord bless her in her new role.

Well I’m off on travels again as Vicar General of the Josephites; I’m going to be in Cameroon where Fr Armand comes from. So I’m leaving a little space for him to introduce himself below.

God bless and see you 12th Feb. Fr A-P

Hi. I am Louis Armand Bopda Toche, a Josephite father arriving here in USA (Santa Maria) on the 24th December as the “Christmas present of Saint Louis de Monfort Parish” as Fr Aidan-Peter said! I was born in Cameroon (central Africa) on the 22nd November 1975, in a family of 3 boys and 2 girls. I grew up in the north region of Cameroon where I encountered the Josephite Fathers who have been working there since 1999. After joining them in 2003, I left Cameroon to the D.R. Congo, where I have been trained to become a Josephite priest. I was ordained priest there in the Kasai region of Congo in 2011. After a year of studies in England, I worked in Kinshasa (D.R. Congo) in our formation houses as a trainer until 2018. Then, after 15 years in Congo, I am now transferred here as a pastor associate. I am so happy to be here and I hope that, with the grace of our Lord and the help of all the faithful of this lovely parish, I will be a “good instrument of God’s mercy” for His Glory and our salvation.

**KEEP 'EM SAFE**

Talk to your children about the fine line between obedience and protection.

Children learn from an early age that adults are figures of authority — teachers, police officers, bus drivers, babysitters. We need our children to listen to the people who are in charge of them, but this message must be communicated so that children know it’s okay to stick up for themselves too. Adult predators may try to use their authority to gain control over their victims.

Children should know that when it comes to private parts, secrets, and things that seem dangerous or wrong, they shouldn’t worry about disobeying the adult in charge, and instead talk to a trusted adult or a parent.

**LIFE WALK 2019**

January 20th is Sanctity of Human Life Sunday. Celebrate God’s gift of life by joining local pro-life groups for their annual Life Walk. This family-friendly program starts at 2:30pm at the Santa Maria City Hall Courtyard, Broadway/Cook. After a short program of prayers, songs and testimony led by local pastors, participants will walk one-half mile to a second assembly area across from the Planned Parenthood facility. Events will conclude with a social get together at the Care Net Pregnancy Support Center, 201 S. Miller, Ste. 102. For more info, call Dick McGreevy at 805-934-9951.

**MANTENLOS A SALVO**

Hable con sus hijos sobre la estrecha diferencia entre obediencia y protección.

Los niños aprenden desde la edad temprana que los adultos son figuras de autoridad: maestros, oficiales de policía, conductores de autobuses y niñeras. Necesitamos que nuestros niños escuchen a las personas que están a cargo de ellos, pero al mismo tiempo que sepan que está bien defenderse por sí mismos. Los depredadores adultos pueden tratar de usar su autoridad para obtener control sobre sus víctimas.

Los niños deben saber que cuando se trata de las partes privadas, secretos y cosas que parecen peligrosas o incorrectas no tienen que obedecer al adulto que está a su cargo, sino que deben hablar con un adulto de confianza o un padre de familia.
